

— Our Place After School Care wishes you a —

MERRY CHRISTMAS

*We pray your holidays are filled with hope,
love, peace, joy and lots laughter!*

I wanted to share what's been happening at Our Place After School Care since our last newsletter. Exciting changes have taken place through the hard work, prayers and dedication of all of you! Thank you for being a significant part of this small ministry called, Our Place!

The newly created ministry identified as, Freedom Factory, is imagining new opportunities for our teens with special needs. Our teens are finding new pathways to learn and develop skills at Our Place. In addition to their regular curriculum, our youth:

- Design new craft items and produce them to sell.
- Learn how to count change,
- Learn to work with the public.

Along the way, they learn about food safety, cooking skills, and working collaboratively.

If you want to make a purchase, consign items, or want to find out more about the crafts facility, contact Dusty at:

*Looking forward to seeing you
in the New Year!*
